The signatories shall be the sole parties to this agreement.

SECTION 1.2 - RECOGNITION CLAUSE

Pursuant to Act 379, Public Acts of 1965, as amended, the Mancelona Board of Education (hereinafter referred to as the Board) recognizes the Northern Michigan Education Association, MEA/NEA, as the exclusive bargaining agent for certified employees of the Board (hereinafter referred to as employees) in the bargaining unit defined as:

Classroom teachers, librarians, guidance counselors and social workers, but excluding substitutes, administrators, and all other employees.

SECTION 1.3 - EXTENT OF AGREEMENT

- A. The parties acknowledge that during the negotiations which resulted in this agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject matter not removed by law from the area of collective bargaining and that all of the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this agreement. Therefore, the Board and the Association, for the life of this agreement each voluntarily and unqualifiedly waive the right and each agrees with respect to any subject or matter referred to in this agreement or with respect to any subject or matter not specifically referred to or covered in this agreement, even though such subject or matter may not have been within the knowledge or contemplation of either of the parties at the time they negotiated or signed this agreement.
- B. This agreement supersedes and cancels all previous agreements, verbal or written or based on alleged past practices, between the School District and the Association, and constitutes the entire agreement between the parties.

Established past practices may not be changed unilaterally by the Board of Education.

Any amendments or agreements supplemental hereto shall not be binding upon either party unless executed in writing by the parties hereto.

- C. If any provision of this agreement or application thereof shall be found contrary to law, then such provisions or application shall be deemed not valid, but all other provisions or applications shall continue in force and effect.
- D. All contracts with instructional personnel in the bargaining unit, employed by the Board of Education, except substitutes, shall be in writing and signed by officers as provided by law. All contracts shall meet the requirements of the Teacher Tenure Act.
- E. As the parties are required to include, if an emergency manager is appointed by the state under PA 4 of 2011, Fiscal Accountability Act, the emergency manager may reject, modify or terminate the collective bargaining agreement at his/her sole discretion.

1. Should a school closing(s), because of conditions not within the control of school authorities, require the scheduling of an additional day(s) of student instruction to meet an annual instructional minimum required by law or the State Board of Education, such additional instructional days will, to the extent possible, with the mutual consent of the Board and the Association, be rescheduled in lieu of already scheduled non-instructional staff duty days.  5. If, at any time during the life of this agreement, it becomes lawful, or a State Board of Education ruling change or mandate to count as days of pupil instruction, days when pupil instruction is not provided due to conditions not within the control of school authorities, such as due to severe storms, fires, epidemics or health conditions, it is agreed that the following school closing provision shall become immediately effective:

Neither the Board nor the Association shall be permitted to assert in such arbitration proceeding any ground or to rely on any evidence not previously disclosed to the other party.

The arbitrator shall have no powers to alter, add to or subtract from the terms of this agreement. Both parties agree to be bound by the award of the arbitrator and agree that judgment thereon may be entered in any court of competent jurisdiction. The cost of such arbitrator shall be shared equally by the Board and the Association.

- E. The members "highly qualified status," and method for achieving such status endorsements and certification will accompany the name of each bargaining unit member on the seniority list. The "highly qualified status" information provided in the referenced document is for reporting purposes only and it is not subject to the grievance procedure.

- F. Administrators shall not accrue seniority while in an administrative position. All seniority accrued by the administrator while a teacher in the district shall be retained.
- G. For seniority and salary schedule placement purposes, teachers under contract serving forty-five (45) or more working days in a semester will be given credit for one semester.

SECTION 2.0 - RIGHTS OF THE BOARD

The Northern Michigan Education Association recognizes that the Board, on its own behalf and on behalf of the electors of the district, hereby retains and reserves unto itself, without limitation, all powers, rights, authority, duties and responsibilities conferred upon and vested in it (or not specifically withheld) by the Constitution and by the statutes of the State of Michigan, particularly the Michigan School Code, and by the Constitution of the United States, including, but without limiting the generality of the right to establish policy for the executive management and administrative control of the school system, its properties, its facilities and its personnel, as well as the methods and means necessary to the proper execution of the foregoing obligations, provided that such rights shall be exercised in conformity with the provisions of this agreement.

 2. The use of such student teacher would be used by the Employer as a basis for not hiring additional bargaining unit personnel.
- C. The Board shall disclose all terms of any agreement between it and any student placing institution. The terms and conditions of placement of student teachers shall be consistent with this agreement, unless otherwise agreed to by the Association.
- D. The supervising teacher shall have the right to accept an honorarium or other such token of appreciation as may be offered by the student/intern placing institution.

The cash amount may be applied to MESSA variable or fixed options or the member may enter into a salary reduction agreement and elect to apply the cash to an annuity. Said annuity to be selected by the Association member from the list in Section 1.6, Paragraph A.

The employer shall formally adopt a qualified Section 125 plan document. All costs related to the implementation and administration of benefits shall be borne by the employer.

In the event of an employee's death, their spouse shall continue to have the Board's designated share of their health insurance provided, for an additional 30 days after the previous month's coverage has expired.

- A. Based on statutory changes to MCL 15.563 and Michigan Department of Treasury letter dated March 18, 2021 the following numbers shall be used to clarify the monthly amounts of Board payments of insurance premiums for the designated medical benefit plan for eligible employees illustrated in Section 5.1A of the Master Agreement.

Effective as of January 1, 2022, the Board shall make payment of insurance premiums/costs for the designated medical benefit plan for eligible employees not to exceed the following monthly amounts:

\$608.71 per month - single
\$1,273.00 per month – 2 person
\$1,660.12 per month - family

The parties understand and agree that the above monthly dollar amounts will be adjusted on January 1, 2023 and January 1, 2024 in accordance with Legislative CAPs set forth by the Michigan Department of the Treasury.

The open enrollment period shall be jointly established by the Board, the Association and the insurance company representative, including opportunities for summer pre-enrollment and fall open enrollment. Additionally, the parties agree that in the event that new MESSA products/plans or development of a consortium become available mid-contract, the Association shall have the right to make adjustments to their plan product choice. The parties further agree that they will review and give full consideration to the possibility of joining a consortium should one be developed.

When necessary, premiums on behalf of the teachers shall be made retroactively or prospectively to assure uninterrupted participation and coverage. In instances where cost of coverage exceeds the amounts specified above, the Board shall make provision for the excess to be payroll deductible.

The Board will be responsible for providing insurance information including applications, claim materials, and enrollment meetings for the above mentioned programs.

Effective January 1 of each year of this agreement, the Board's monthly contribution will be increased by the change in the medical care component of the United States consumer price index for the most recent twelve-month period for which data are available from the United States Department of Labor. Employees will pay, pursuant to an IRS section 125 payroll deduction plan, the difference between the Board's contribution and the actual cost of the premiums for the medical benefit plan selected corresponding to their coverage category. Employees electing ABC Plan 1 may make contributions to their HSA account via Section 125 plan payroll deductions.

B. Part-time regular teachers.

Teachers employed less than full time may choose from the following:

1. Plan B as outlined in Section 5.1 A.
2. Pro-rata share (based on employed time) of health insurance (Choices II or ABC Plan 1 options as described in Plan A above). The Board's share shall be equal to the percentage of employed time multiplied by the Board's designated contribution for the coverage category. (Example: 60% of \$1,549.75/month if employed 60% and elect family coverage). The balance of the premium shall be deducted from their paycheck. Employees will pay, via payroll deduction, the difference between the Board's contribution and the actual cost of the premiums/costs for the medical benefit plan selected corresponding to their coverage category.

SECTION 5.2 - COMPENSATION (LONGEVITY)

- A. The Board shall pay the teacher's contribution to the retirement system as prescribed by state law. This does not include a teacher's voluntary MIP contribution.

- B. Longevity shall be paid when the teacher reaches the following years of service and will be figured on the Schedule listed below:

YEAR

15-19	3% ADDED TO YEAR 11
20-24	3% ADDED TO YEAR 19
25-	3.1% ADDED TO YEAR 24

Longevity shall be defined as years of credited service in public schools. Individuals granted other service credits by previous administrations will be addressed on an individual basis. The exact number of years will be determined by the local executive committee and administrators.

SECTION 5.3 - COMPENSATION

- A. Newly hired teachers having zero to five (0-5) years of Michigan teaching experience shall be given full credit for such experience on the salary schedule. Other newly hired teachers with more years of experience may be placed on step five (5) or a higher step of the salary schedule as determined by the Employer. Regardless of experience and/or graduate level course credits, the maximum compensation for teachers assigned to positions funded by the Great Start Readiness grant funds will be the BA-7 level on the salary Schedule.
- B. A teacher shall be moved to the appropriate new salary lane at the beginning of the semester following the receipt of written notification by the bargaining unit member of their having earned a sufficient number of graduate level course credits to qualify him/her for salary lane advancement. Documentation shall be provided before December 15 or August 15 for the following semester. A transcript must be submitted to the Superintendent's Office upon completion of the coursework no later than February 15 or October 15.
- C. A qualifying teacher shall receive a non-elective, employer contribution to a 403b(7) account or annuity selected by the teacher in an amount equal to fifty (\$50.00) dollars for each day of accumulated sick leave, but not to exceed one hundred eighty (180) days. At the end of the year in which the teacher is retiring, the teacher's sick leave will be adjusted to 180 days if at the beginning of the year the teacher could not be credited for 12 sick days because it would have exceeded the 180 day maximum and at the end of the school year the balance falls below the 180 days. At no time will the adjustment be for more than 12 days. To qualify, a teacher must have evidence that the processing of his/her application for retirement has been completed, or have completed at least ten (10) years of service to the district, and have reached

the age fifty (50). If not previously paid, this contribution will be made to the teacher's 403b(7) account in the year of the teacher's death.

- D. If a teacher shall teach more than the normal teaching load as set forth in Section 3.4, G, he/she shall receive additional compensation of one-sixth ($1/6$) of his/her normal teaching load based on his/her normally received salary.

In the event it becomes necessary to add a 6th period to a normal teaching load, option to accept the assignment for the additional period shall be done on a seniority basis within the required discipline. Should a teacher work less than a full time schedule, the compensation shall be calculated based on a 6 hour schedule broken into $1/6$ increments including the calculation of $1/6$ preparation time for each portion worked.

- E. Compensation Time - A teacher shall be guaranteed and granted compensated time for the following:

1. Participating in instructional activities which upgrade professional skills and knowledge such as workshops, seminars, and clinics. These activities are to be approved by the administration and attended during a time other than the normal work schedule.

Such substitution would be without pay and the individual teacher would substitute six (6) normal class periods without pay to earn one day of compensation time. Elementary teachers would substitute ten (10) special teacher periods to earn one (1) day compensation time.

To be eligible for compensation time for substituting, the individual teacher must notify the principal and central office staff of his/her intent during the first two weeks of the school year. The acceptability of all requested compensation time will be evaluated and agreed to by the Superintendent and Association President.

All requests for use of compensation time must be made to the Superintendent at least five (5) working days prior to the requested date. If the request is approved, the teacher shall prepare detailed lesson plans to cover the time requested.

Notice of completed event earning comp time shall be turned into the building principal no later than thirty (30) school days after the event and prior to June 30th.

Compensation time will not be used one (1) week prior to or after a recess or the last week of a semester. All requests must be made prior to Memorial Day. Compensation time may be used in conjunction with personal days.

No individual teacher may accrue more than two (2) days per year. No individual teacher may earn or request more than two (2) compensation days per year. Time earned beyond compensation time will be paid in accordance with Section 3.4E. Earned compensation days need not be used during the current school year.

Compensation time may be used in only full or 1/2 day increments.

No more than two (2) teachers from any one building may be absent at the same time because of compensation time.

In order to be reimbursed in the form of a compensation day, the time spent must be equal to at least the six (6) hour instructional day.

Applications for the use of compensation days will be approved on the basis of earliest (first) request having precedence.

F. Teacher Purchase or Repayment of Retirement Service Credit

1. The Internal Revenue Code (IRC) Section 414(h)(2) permits employer "pick-up" of the employee portion of contributions to a retirement plan, thereby resulting in tax deferral of employee contributions. Under the Michigan Public School Employees Retirement System (MPERS) plan conditions, teachers may be allowed to: (1) redeposit contributions previously withdrawn plus interest, and when full repayment is made before termination of employment, the previously forfeited service is reinstated in full; and/or: (2) purchase permissive service credit (such as universal service credit, maternity/paternity/child care and non-public school teaching, military active duty, sabbatical leave of absence, etc.)
2. Therefore, in order to permit tax deferral for these additional employee contribution amounts, the employer shall adopt the payroll resolution attached to this agreement as Appendix "B" and implement the salary reduction (payroll authorization) agreement attached to this agreement as Appendix "C" for any teacher wishing to purchase additional retirement service credit or to repay retirement contributions previously withdrawn (plus interest). The teacher that wishes to purchase additional retirement service credit or to repay retirement contributions

previously withdrawn (plus interest) shall enter into a binding irrevocable payroll deduction authorization by completing a copy of Appendix "C." The teacher shall not have the option of choosing to receive the amounts directly instead of having them paid by the employer to MPSERS.

- G. At the beginning of the 2019-2020 school year, each employee shall advance one step on the existing salary schedule, from their step at the end of the 2018-2019 year, and every one shall be paid at their step on the pay scale.

If an employee has received an Ineffective rating at the end of the 2019-2020 year, there shall be no step advancement in 2020-2021. If an employee is rated Minimally Effective for two consecutive years (2018-2019 and 2019-2020), there shall be no step advancement in 2020-2021. The years will advance each year of the contract.

This language will remain in effect unless 164h legislation is eliminated.

Teachers shall be paid according to their horizontal track of the salary schedule. (BA, BA+20, BA+30, MA, MA+15, MA+30). Should a step freeze occur to the salary scale in successor agreements, the parties understand that the Extra Curricular Compensation steps shall be frozen in the same manner. The teacher shall have the option of being paid or ½ pay on the first pay in December and the other ½ on the first pay in June, or teacher may opt to be paid at the end of a given activity. If the half-pay option or the end of the activity option is chosen, pay will be in a check separate from the teacher's regular payroll check. APPENDIX B

PAYROLL RESOLUTION

(PURSUANT TO SECTION 5.3, F. OF THE MASTER AGREEMENT)

Whereas Internal Revenue Code (IRC) Section 414(h)(2) permits employer “pick-up” of the employee portion of contributions to a retirement plan, thereby resulting in tax deferral of employee contributions; and

Whereas under the Michigan Public School Employees Retirement System (MPERS) plan conditions, members may be allowed to: (1) redeposit contributions previously withdrawn plus interest, and when full repayment is made before termination of employment, the previously forfeited service is reinstated in full; and/or: (2) purchase permissive service credit.

Now therefore be it resolved that in order to permit tax deferral for these additional amounts, an employee shall enter into a binding irrevocable payroll deduction authorization and such employee shall not have the option of choosing to receive the amounts directly instead of having them paid by the employer to MPERS;

Be it further resolved that additional amounts herein specified, through payroll deduction from salary, are designated as being picked up by the employer and paid by the employer in accordance with MPERS retirement plan requirements.

This resolution shall have an effective date of _____, 20____ .

ADDITIONAL RETIREMENT CONTRIBUTIONS

PAYROLL AUTHORIZATION

A Michigan Public School Employees Retirement System (MPERS) member, pursuant to statute, is permitted to: (1) redeposit member contributions previously withdrawn plus interest, and when full repayment is made before termination of employment, the previously forfeited service is reinstated in full; and/or: (2) elect permissive service credit purchase through additional contributions to the retirement system. Any additional amounts due may generally be paid by the member directly to the retirement system, or the member may request, and the employer may permit, deductions through payroll.

I understand that my employer has adopted a resolution under the "pick-up" tax deferral provisions of Internal Revenue Code (IRC) Section 414(h)(2) and that tax deferral of my additional amounts due to the retirement system requires this irrevocable payroll deduction authorization. The employer resolution (and this agreement) shall take effect _____.
(Today's Date)

I hereby authorize and understand that this authorization is binding and irrevocable under IRC Section 414(h)(2) and my employer's resolution.

1. Deductions are to be made from my salary, for a total of _____ months in the amounts of \$_____ per month with a final payment of \$_____.
2. These are additional retirement contributions.
3. For the effective period of the agreement, payments are to be made by my employer. While this agreement is in effect, I understand that MPERS will only accept payment from my employer for the designated service and not directly from me.
4. My employer is obligated to make payment pursuant to this agreement only if there are sufficient funds from my earnings to do so after any other mandatory deductions.
5. This agreement shall remain in effect only until: a) payroll payments are completed, or b) termination of employment.
